THIS AGREEMENT MADE THE FIRST DAY OF JANUARY, IN THE YEAR TWO THOUSAND AND TWELVE
BETWEEN:

THE CITY OF BURNABY
(hereinafter called the "City")

OF THE FIRST PART:

AND:

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 23
(Burnaby Civic Employees')
On behalf of its INSIDE WORKERS' DIVISION
(hereinafter called the "Union")

OF THE SECOND PART:

1 GENERAL

1.1 Term of Agreement

This Agreement shall be for a term of four (4) years with effect from 2012 January 01 to 2015 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and, except with respect to changes to rates of pay made pursuant to the Job Evaluation Agreement between the parties et al, neither party shall make any change or alter the terms of this Agreement until:

- (a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (b) The City can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

The operation of Sub-Sections (2) and (3) of Section 50 of the Labour Relations Code shall be specifically excluded from, and shall not be applicable to this Agreement.

1.2 Coverage

This Agreement shall apply to all those employed by the City who occupy the position classes listed under Schedule "A" of this Agreement and amendments thereto by agreement of the parties hereto or in accordance with the Labour Relations Code.

1.3 Employment Equity

The City and the Union agree with employment equity programs which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

2 DEFINITIONS OF EMPLOYEES

2.1 Definitions of Employees

A Regular Full-Time Employee is an employee who is employed on a full-time basis of 35, 37½, 40 or such other number of weekly hours as is recognized in the Collective Agreement as normal for a particular class of positions, for an indefinite period of time.

A Temporary Full-Time Employee is an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time [which may be extended or cut short by circumstances which could not be foreseen at the time of hiring].

Where Temporary Full-Time Employees are hired for a specific project and are advised at the time of being hired of the expected duration of the project, the City will notify the Union as soon as possible in the event circumstances subsequently arise which have the effect of terminating the project earlier than had been expected and announced.

A Regular Part-Time Employee is an employee who is employed on a Regular Part-Time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time.

An Auxiliary Employee is any other employee.

2.2 Probation

- (a) All new Regular Full-Time and Temporary Full-Time Employees shall complete a probationary period of six (6) months of service except for positions at pay grade 27 and above shall complete a probationary period of twelve (12) months.
- (b) Regular Part-Time Employees shall complete a probationary period of the same number of hours as are applicable to a Regular Full-Time Employee occupying a similar classified position.
- (c) Where a probationary employee is absent during the probationary period, the probationary period shall be extended by the total number of days absent.

3 UNION SECURITY

- (a) Every probationary employee shall become a member of the Union immediately upon date of hire.
- (b) The dues formula for all employees shall be such amounts as determined by Article 10, Section 1, of the Constitution and By-laws of the Union.
- (c) All members shall remain as members of the Union as a condition of employment; provided that no employee shall be deprived of employment by reason of loss of Union membership for any reason other than failure to pay regular Union dues.
- (d) The City will deduct from the pay of each employee covered by this Agreement all regular Union dues and initiation fees as determined by the Union and will transmit the total amount so deducted to the Union; provided that each employee has signed a form, to be supplied by the City, authorizing the said deduction. The form shall be substantially the form as provided for in Section 16(2) of the Labour Relations Code.

4 HOURS OF WORK

4.1 Hours of Work

- (a) **Standard Work Day and Work Week**

Subject to paragraph (b) the standard work day of Inside Employees shall be from 08:30 h to 16:30 h with one (1) hour for lunch; and subject to paragraph (c) the standard work week of Inside Employees shall consist of five (5) consecutive working days from Monday to Friday inclusive.

- (b) **Non-Standard Work Day**

Where the nature of a department, division of a department, or occupation requires daily hours of work other than the standard work day set out in paragraph (a), the normal work day for Regular Full-Time and Temporary Full-Time Employees in such operations shall be any seven (7), seven and one-half (7½) or eight (8) consecutive hours of work exclusive of one-half (½) or one (1) hour lunch period. This provision shall apply to those positions and position classes set out in Schedule "B" and any additions agreed to subsequently by mutual consent of the parties hereto. The work day for part-time employees shall be in accordance with the "Employment Standards Act".

- (c) **Non-Standard Work Week**

Where the nature of a department, division of a department, or occupation requires a six (6) or seven (7) day operation per week, the normal work week for Regular Full-Time and Temporary Full-Time Employees in such operations may be any five (5) consecutive days with two (2) days of rest. This provision shall apply to those positions and position classes set out in Schedule "B" and any additions agreed to subsequently by mutual consent of the parties hereto. The normal work week for part-time employees in such operations shall be Monday to Sunday inclusive.

(d) Advance Notice

The City will notify the Union at least seven (7) days in advance of any additional positions or position classes to be included under the provisions of a non-standard day or non-standard week other than those positions agreed to as set out in Schedule "B" and shall advise the Union of the pay rates and working hours for such positions. Pay rates shall be subject to collective bargaining.

(e) Museum Employees

The following provision shall apply in lieu of the above paragraphs (a)-(d) for employees working at the Burnaby Village Museum:

The normal work week for full-time employees shall be based on a seven (7) hour day/thirty-five (35) hour week and employees shall work, as scheduled by the Museum Director, any seven (7) consecutive hours, exclusive of lunch, between the hours of 08:30 h and 18:00 h any five (5) consecutive days with two (2) days of rest. For Regular Part-Time Employees the normal daily hours of work shall be up to seven (7) consecutive hours per day, exclusive of lunch.

(f) Compressed Work Week, 9-Day Fortnight, Staggered Hours

(1) The parties hereto agree to confer with respect to an adjusted work week based on the standard 35, 37½ or 40 hour work week, as follows:

- (a) The scheduling of a work week of less than five (5) consecutive days, or
- (b) The scheduling of a 9-day fortnight, or
- (c) Staggered hours of work whereby the daily starting and quitting time for certain employees may differ by up to one hour from the standard daily starting and quitting time.

(2) Provided that such adjusted work week is firstly appropriate with respect to the efficient and optimum operation of the Civic service and secondly appropriate with respect to the nature and requirements of an occupation, such adjusted work week may be implemented on a trial basis during the term of this Agreement by mutual agreement of the employees directly affected by the change and the parties to this Agreement.

(3) The principles governing the conversion of employee benefits in cases of the introduction or renewal of compressed work weeks are set forth in Schedule "E", attached to this Agreement and which shall form a part of this Agreement.

(g) Auxiliary Employees

Normal daily and weekly hours shall be deemed to be 8 and 40 respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a position normally occupied by a full-time employee whose normal hours shall be deemed to be the normal hours of the Auxiliary Employee.

4.2 Rest Periods

A ten (10) minute rest period shall be allowed during the first half of each working shift and a further ten (10) minute rest period during the second half. The department head will designate the time and the manner in which an employee's rest period may be taken.

4.3 Shift Work and Shift Differential

- (a) Shift work for inside employees may be instituted whenever, in the opinion of the department head concerned, such work is necessary.

- (b) Where employees in classes of work for which salaries have been established on the basis of a normal week of daytime work are required to work on shifts, a pay differential shall be applied.

- (c) Shift differential shall consist of seventy-five cents (75¢) per hour; and effective 2013 January 01, eighty (80¢) per hour; and effective 2015 January 01, eighty-five (85¢) per hour and shall be payable for those hours of a regular shift so worked by an employee outside the exempt hours of work; provided, however, that if more than one-half of the hours of the regular shift so worked fall outside the exempt hours of work, the shift differential shall be applied to the hours worked in the entire regular shift.

For the purpose of this Clause 4.3, "exempt hours of work" means the normal hours of work defined in Clause 4.1(a) standard work day and work week, together with the hour immediately preceding and the hour immediately following such normal hours of work. That is, the normal hours of work are from 08:30 h to 16:30 h and therefore the exempt hours of work shall be those hours from 07:30 h to 17:30 h.

- (d) Shift differential shall not apply to certain positions or position classes as set out in Schedule "B" and additions thereto by mutual agreement of the parties hereto.
- (e) The following provision shall apply in lieu of the above paragraphs (a)-(d) for employees working at the Burnaby Village Museum:

Regular Full-Time, Temporary Full-Time and Regular Part-Time Clerical, Display Technician, Grounds Attendant and Janitorial employees shall be paid a shift differential of seventy-five cents (75¢) per hour; and effective 2013 January 01, eighty (80¢) per hour; and effective 2015 January 01, eighty-five (85¢) per hour and shall be payable for those hours of a regular shift worked by such employee outside the exempt hours of work, provided, however, that if more than one-half of the hours of the regular shift so worked fall outside the exempt hours of work, the shift differential shall be applied to the hours of work in the entire regular shift. For the purpose of this Clause 4.3(e) "Exempt Hours of Work" would be 08:30 h to 18:00 h.

- (f) No shift differential premium will be paid to Auxiliary Employees unless they are relieving Full-Time Employees on shifts that would otherwise carry such premiums.

4.4 Daily Guarantee

- (a) Subject to the provisions of paragraph (c), an employee reporting for a scheduled shift on the call of the City shall receive the employee's regular hourly rate of pay for the entire period spent at the place of work, with a minimum of two hours' pay at the regular hourly rate.
- (b) Subject to the provisions of paragraphs (c) and (d), an employee other than a school student on a school day who commences work on a scheduled shift, shall receive the employee's regular hourly rate of pay for the entire period spent at the place of work, with a minimum of four hours' pay at the regular hourly rate.
- (c) In any case where an employee
- (1) reports for a regular shift but refuses to commence work, or
 - (2) commences work but refuses to continue working, the employee shall not be entitled to receive the minimum payments set forth in paragraphs (a) and (b).

- (d)
- (1) Subject to paragraph (d)(2), the Daily Guarantee shall be reduced from four (4) to two (2) hours for Regular Part-Time Employees and Auxiliary Employees employed in the following classifications:
 - Attendant - Children
 - Cashier Attendant
 - Program Leader
 - Recreation Facility Attendant
 - Recreation Attendant 1
 - Recreation Attendant 2
 - Aquatic Leader/Instructor
 - Lifeguard Instructor – Aquatics
 - Sales Service Assistant
 - Food Service Worker
 - Food Services Attendant

- Cook
- Server/Bartender

(2)

- (a) There shall be no split shifting of the two (2) hour shifts.
- (b) There shall be no change to the four (4) hour Daily Guarantee for the above classes during Saturdays, Sundays and Public Holidays.
- (c) Regular part-time positions in existence as of 1988 July 01 (1992 April 09 for the Attendant - Children positions) shall not have their hours reduced as a result of paragraph (d) and may be assigned additional hours not subject to the Daily Guarantee.

(3) Subject to paragraph (d)(2), the Daily Guarantee shall be reduced from four (4) hours to two (2) hours for Regular Part-Time and Auxiliary Employees when attending staff meetings and/or training sessions to a maximum of two (2) occasions per employee per year.

4.5 Callout

The following provisions shall apply to Regular Full-Time and Temporary Full-Time Employees:

- (a) An employee who is called back to work by the City at any time after completing a regular shift, except where such employee is required to work overtime as a consequence of an oral or written notice given prior to the end of the employee's previous shift as provided in Clause 7.3.1, shall be paid at the rate of double the employee's normal rate of pay for the time actually worked and in addition thereto shall be paid one (1) hour at double the normal rate of pay for travelling time to and from home. Except as otherwise provided under this Clause 4.5(b) an employee who is called back to work under this Clause 4.5 shall be paid a minimum of three (3) hours (the minimum includes one (1) hour for travelling time) at double the employee's normal rate of pay.

Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

- (b) If, after a callout, an additional call or calls are made upon the employee before the expiry of the minimum three (3) hour period or before arrival home, whichever shall last occur, the additional call or calls shall not qualify the employee for an additional minimum three (3) hour period or periods but the employee shall be paid at double the employee's normal rate of pay for the time actually worked and an additional one (1) hour at double the normal rate of pay for travelling time to and from home. Where two (2) separate calls are completed by an employee within a three (3) hour period the employee shall be paid at double the employee's normal rate of pay for a minimum of four (4) hours (the minimum includes two (2) hours for travelling time).
- (c) For the purposes of this Clause 4.5 a callout shall commence ½ hour before actual commencement of work for which the employee was called back and terminate ½ hour after actual completion of such work. The ½ hour at the commencement and termination of the callout time is the travelling time allowed the employee hereunder.

4.6 Standby

The following provisions shall apply to all employees:

- (a) Employees who are required by the City to stand by for a call to work between the end of a normal day shift on the first day of work in a normal work week as defined in Clause 4.1 (excluding public holidays) and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's normal rate of pay for each period of eight (8) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.5.
- (b) Employees who are required by the City to stand by for a call to work at any time except employees who are required to stand by for a call to work under paragraph (a) herein shall be paid one (1) hour's pay at the

employee's normal rate of pay for each period of six (6) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.5.

- (c) Where the period of time which an employee stands by under this Clause 4.6 exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the employee shall be paid one (1) hour's pay at the rate provided in this Clause 4.6 for the remainder of the standby time unless the remainder is not more than one-half (½) of the standby period of six (6) hours or eight (8) hours (as the case may be) in which event the premium payable to the employee for the remainder shall be one-half (½) hour's pay at the rate provided in this Clause 4.6.

4.7 Meal Periods

The following provisions shall apply to Regular Full-Time Employees and Temporary Full-Time Employees:

- (a) During Overtime Worked Immediately Following or Immediately Preceding an Employee's Regular Shift

If an employee is required to work overtime immediately following or immediately preceding the employee's regular shift under Clause 7.3.1(a)(1) or Clause 7.3.1(a)(2) then upon the completion by the employee of two (2) continuous hours of such overtime work, the employee shall be given a paid meal period of one-half (½) hour which the City may permit the employee to begin at any time within the two (2) hour work period if the City estimates that two (2) hours of overtime work will be required; provided however that, except in the case of an emergency, the meal period shall begin no later than the end of the two (2) hour work period. Upon the completion by the employee of three and one-half (3½) continuous hours of overtime work following the completion of the two (2) hour work period by the employee, the employee shall be given another paid meal period of one-half (½) hour which, except in the case of an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

- (b) During Callouts and Scheduled Overtime Worked Other Than Immediately Following or Immediately Preceding an Employee's Regular Shift

An employee who completes three and one-half (3½) continuous hours of overtime work at any time other than immediately following or immediately preceding the employee's regular shift after being called back to work by the City under Clause 4.5 or after the commencement of overtime work previously scheduled by the City under Clause 7.3.1(a)(3) shall be given a paid meal period of one-half (½) hour which the City may permit the employee to begin at any time within the three and one-half (3½) hour work period if the City estimates that three and one-half (3½) hours of overtime work will be required; provided however that, except in the case of an emergency, the meal period shall begin no later than the end of the three and one-half (3½) hour work period. Upon the completion by the employee of three and one-half (3½) continuous hours of overtime work following the completion of the three and one-half (3½) hour work period by the employee the employee shall be given another paid meal period of one-half (½) hour which, except in the case of an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

- (c) For each meal period given to an employee under Clause 4.7(a) or Clause 4.7(b) the employee shall be paid one-half (½) hour's pay at double the employee's normal rate of pay.
- (d) Where by reason of an emergency it is not feasible to give a meal period at the designated time under Clause 4.7(a) or Clause 4.7(b), it shall be taken as soon as practicable and in addition the City shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal period.

5 VACANCIES

- (a) Any vacant position or any new position that is a Regular Full-Time, Regular Part-Time or Temporary Full-Time Position (if such temporary position is expected to exceed four months), shall be boarded for a period of ten (10) calendar days and all employees shall be permitted to apply. Such period shall be extended one (1) working day for each public holiday occurring during the posting period.
- (b)
 - (1) Subject to paragraph (2), where a Regular Full-Time Employee is successful on a temporary full-time posting, the Regular Full-Time Employee shall maintain their status as a Regular Full-Time Employee

for the duration of the temporary assignment and upon completion of the assignment shall return to their former position;

- (2) Where a Regular Full-Time Employee is successful on a temporary full-time posting, that position left by the Regular Full-Time Employee and subsequent positions are not required to be posted. Where the City decides to fill such positions on an acting in a senior capacity basis, first consideration shall be given to Regular Full-Time Employees.
- (3) Maternity Leave absences which are expected to exceed four (4) months shall be posted and the provisions of paragraphs (1) and (2) above shall apply.
- (c) Boarding notices shall contain the following information: nature of position, qualifications, required knowledge and education, skills, shift, wage or salary rate or range, and anticipated length of any temporary assignment, if posted. All job postings shall state "this position is open to male and female applicants".
- (d) All employees desiring to apply shall be supplied with a form of application to be provided by the City.

6 SENIORITY

6.1 Regular Full-Time, Temporary Full-Time and Regular Part-Time Employees

6.1.1 Regular Seniority Pool

A seniority pool will be established for Regular Full-Time, Temporary Full-Time and Regular Part-Time Employees.

Access to the Regular Seniority Pool will be extended to:

- (a) All Regular Full-Time Employees upon completion of the probationary period.
- (b) All Temporary Full-Time Employees upon completion of twelve months of continuous service.
- (c) All Regular Part-Time Employees upon completion of the same number of hours as are applicable to a Regular Full-Time Employee occupying a similar classified position.
- (d) Upon qualifying for a Regular Seniority Pool, an employee will be credited with the employee's full period of service or all hours worked since the employee's first day of employment in one or other of the eligible categories, i.e. Regular Full-Time, Temporary Full-Time, or Regular Part-Time.

6.1.2 Auxiliary Seniority Porting to Regular Full-Time

- (a) Auxiliary Employees who have obtained auxiliary seniority, i.e., have worked 1200 hours within two (2) consecutive calendar years, and who obtain a regular full-time position, shall upon successfully completing their probation period, be credited with their full period of service as an Auxiliary Employee. For this purpose, each period of seven (7), seven and one-half (7½), or eight (8) hours worked, depending upon the normal hours for a position class, will equate to one (1) day's service.
- (b) Time worked will be credited to the regular seniority pool for layoff, recall, and boarding competition purposes only, and not for other benefits, e.g., vacations, increments, etc.
- (c) Current Regular Full-Time Employees who formerly worked as Auxiliary Employees and who obtained seniority will also have their past auxiliary service credited for these same purposes.

6.1.3 Temporary Full-Time Service Porting to Regular Full-Time

- (a) A Temporary Full-Time Employee who becomes a Regular Full-Time Employee without a break in service exceeding twelve (12) months, shall upon successfully completing their probationary period, be credited with such service as a Temporary Full-Time Employee.
- (b) Time worked will be credited to the regular seniority pool for layoff, recall, and boarding competition purposes only, and not for other benefits, e.g., vacations, increments, etc.
- (c) Current Regular Full-Time Employees who formerly worked as Temporary Full-Time Employees and who obtained seniority will also have their past Temporary Full-Time service credited for these same purposes.

6.1.4 Application of Seniority

(a) Application of Skill, Knowledge and Ability

In making appointments, promotions, transfers and demotions, the skill, knowledge and ability of the applicant concerned shall be the primary consideration, but where such qualifications are equal, length of service shall be the determining factor.

(b) In-Service Trial Period Upon Promotion or Transfer

A promoted or transferred employee will be on in-service trial period during the first three (3) months of the promotion or transfer to determine suitability in the position. If an employee does not prove satisfactory in the new position, the City shall place the employee in a position at the same pay level as the employee's former class, without loss of seniority.

Where a promoted or transferred employee is absent during the in-service trial period, the in-service trial period shall be extended by the number of days absent.

(c) Layoffs

In the event of a layoff, employees shall be laid off in the reverse order of their bargaining unit-wide seniority, provided that an employee may bump a junior employee only in cases where the senior employee is qualified to fill the lower positions.

(d) Advance Notice of Layoff

Except in cases of inclement weather, strikes, lockouts or other circumstances beyond the control of the City, the City shall notify employees, who have acquired seniority rights, and who are to be laid off, at least ten (10) working days prior to the effective date of layoff. If the employee has not had the opportunity to work during the ten (10) days referred to above, the employee shall be paid for those days for which work was not made available.

(e) Recall

Employees shall be recalled to positions for which they are qualified, in the order of their seniority, either bargaining unit-wide or by branch or by class as the case may be.

No new employees shall be hired following a layoff until those who were laid off have been given a reasonable opportunity of recall as follows:

The City shall make every reasonable attempt to contact employees in order of seniority, and employees shall be recalled in such order providing that they respond within the stipulated time limits. Upon making contact with an employee, the City shall specify the time when the employee shall report for work. An employee who does not respond within 48 hours of the City's initial attempt to make contact or who refuses to report for work shall be dropped to the bottom of the appropriate list for recall. An employee shall report to work at the time specified by the City or, in extenuating circumstances, within two weeks of the City's initial attempt to contact the employee. Each employee on layoff will be responsible for keeping the City notified of a current contact point through which the employee can be reached.

An employee shall lose seniority and right of recall if continuously laid off from work for a period of more than twelve (12) consecutive months.

(f) Rights of Employees Promoted Out of the Bargaining Unit

In the event of an employee being promoted from a position for which the Union either had bargaining authority at the time of the promotion or subsequently obtained bargaining authority, to a position whether included in or excluded from the Union contract, and such employee being subsequently laid off or demoted to a position for which the Union has bargaining authority, the City shall have the right to place such employee in the position previously held by the employee or in any vacant position for which such employee is considered qualified. The employee, if so placed as the result of being laid off or demoted, shall suffer no loss of seniority and such seniority shall be the employee's total length of service with the City.

The employee being promoted out of the bargaining unit will only retain seniority rights "for a period of three (3) years".

Where a Regular-Full Time or Temporary Full-Time employee is successful on a temporary full-time posting outside of the bargaining unit, that position left by the Regular Full-time or Temporary Full-Time employee will be posted on a temporary full-time basis; subsequent positions are not required to be posted. Where the City decides to fill such positions on an acting in a senior capacity basis, first consideration shall be given to Regular Full-Time employees.

- (g) In the event of an employee being retired from the City from a position for which the Union had bargaining authority at the time of the retirement and included in this Union contract, then that employee loses all bargaining unit rights including seniority and would be considered an external candidate for future opportunities in the bargaining unit.

6.2 Auxiliary Employees

A Seniority Pool will be established for Auxiliary Employees. Access to each Auxiliary Seniority Pool will be extended to all Auxiliary Employees as follows:

- (b) Upon gaining entry onto the Auxiliary Seniority List, an employee will be credited with the number of hours worked in any class of positions, and will hold class seniority in any such class accordingly.

The figure to the right of the oblique stroke shows the number of working days of supplementary vacation, and appears in the calendar year in which they are credited to an employee. These supplementary vacation days may be taken in any of the years beginning with the one in which they were credited but prior to the one in which the next 5 days are credited.

Example:

An employee hired in 2002 is in their 11th calendar year during 2012. The employee in 2012 will be credited with 5 supplementary working days which may be taken at any time between 2012 and 2016, both years included. In 2017 the employee will be credited with a further 5 supplementary working days, etc.

*The working day entitlement is based upon a five-day work week.

SCHEDULE "D" – TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the City introduces, or intends to introduce, a technological change that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party hereto may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board, constituted under Clause 16.2, step 5, of this Agreement, bypassing all other steps in the Grievance Procedure.

The Arbitration Board shall decide whether or not the City has introduced, or intends to introduce a technological change, and upon deciding that the City has or intends to introduce a technological change the Arbitration Board:

- (a) shall inform the Minister of Labour of its findings; and
- (b) may then or later make any one or more of the following orders:
 - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (2) that the City will not proceed with the technological change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - (3) that the City reinstate any employee displaced by reason of the technological change;
 - (4) that the City pay to that employee such compensation in respect of the displacement as the Arbitration Board considers reasonable.

The City will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated

SCHEDULE "E" – PRINCIPLES GOVERNING THE CONVERSION OF EMPLOYEE BENEFITS IN CASES OF INTRODUCTION OR RENEWAL OF COMPRESSED WORK WEEKS

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' benefits shall be converted as follows:

- (a) Basic annual working hours shall be calculated as $260.89 \times$ daily working hours as per the 5-day week, e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
- (b) Basic annual public holiday hours shall be calculated as $12 \times$ daily hours as per the 5-day week, e.g. $12 \times 7 = 84$, or $12 \times 7.5 = 90$.
- (c) Account shall be taken of the difference in basic annual rest period allowances, e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
- (d) Employees shall have at least two (2) of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
- (e) For purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph (h) herein.
- (f) Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph (h) herein.
- (g) Notwithstanding any clause in a collective agreement to the contrary, an employee shall not receive pay for acting in a senior capacity where the employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
- (h) In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (1) Revert to a standard 5-day week in any week when a public holiday occurs.
 - (2) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five (5) days in the immediately preceding week.
 - (3) Have a compressed work day off with pay for each public holiday and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
- (i) Whenever any doubt arises as to how the employee benefit conversion should be made with respect to any item (whether or not covered by this Schedule "E"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e. there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.

SCHEDULE "E" – PRINCIPLES GOVERNING THE CONVERSION OF EMPLOYEE BENEFITS IN CASES OF INTRODUCTION OR RENEWAL OF COMPRESSED WORK WEEKS

- (j) In the event the Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee benefits.

SCHEDULE "F" - EMPLOYMENT STANDARDS ACT PRINCIPLES

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

- (a) That, except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and nonstandard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work between each week. Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (b) That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
- (c) The eating period provided under the "Hours of Work" provision of the Agreement shall be scheduled so as to prevent an employee from working more than five (5) consecutive hours without an eating period. The details of the changes agreed to by the parties for the various components of the plan are as follows:

DISABILITY INCOME

Short Term Sick Leave

The current plan will continue to apply without changes.

Medium Term Disability

100% for Firefighters of regular gross earnings, commencing from the expiry of STSL and continuing for a maximum period of 50 weeks.

85% for CUPE of regular gross earnings, commencing from the expiry of STSL and continuing for a maximum period of 50 weeks; this benefit to be increased, from 85% on an incremental scale including claims incurred before that date as follows:

90% of regular gross earnings commencing 1990 December 24

Disability is defined as the inability to do their own occupation.

Long Term Disability

67% of regular gross earnings with no maximum benefit commencing on the expiry of MTD (52 weeks from date of disability); such benefit to be indexed annually in accordance with annual general increases in wage rates for the appropriate group from which the claimant is a member. In all instances, benefits cease on the employee ceasing to be disabled, death or the employee's minimum retirement age (60 for all employees, except 55 for Firefighters) or that age when the employee can retire without reduction in his accrued pension benefit (55 and 35 years' service for all employees, except 50 and 30 years' service for Firefighters); subject to a minimum of 15 years of combined pre-disability and disability related pensionable service as defined in the Municipal Pension Act.

 - THEN
 - (3) the maximum benefit duration for this individual will be reduced to twenty-four (24) months from the commencement of disability and the individual will be prohibited from a qualification for further entitlement under paragraph (b).
- (b) As a result of bodily sickness or injury he/she is permanently, continuously, and wholly prevented from engaging in any occupation or employment for wages or compensation for which he/she is reasonably qualified by education, training or experience or may reasonably become so qualified.

An employee in this category shall be considered disabled until he/she is engaged in an approved rehabilitation program or until he/she is in another occupation as described in sub-paragraph (2) or (3) below, but in no event will he/she be considered disabled in this category for a period longer than twenty-four (24) months from the commencement of his/her disability.
 - (2) he/she is engaged in an approved rehabilitation program. An employee in this category shall be considered to be disabled for a maximum of thirty-six (36) months from the commencement of his/her disability (which shall include any period of time in sub-paragraph (1) above).

receives shall be deducted from his/her benefits from the plan. Such other occupation must be Regular Full-Time employment or in the case of Regular Part-Time Employees regular employment for the average monthly hours worked by the employee during the six (6) months previous to his/her date of disability, unless the nature of the disability medically prevents him/her from being so employed.

If an individual who qualifies for benefits based on employment in another occupation providing less than 67% of pre-disability regular gross earnings loses his/her employment through any conditions, except voluntary termination and termination for cause, the benefit shall be reinstated to the 67% level so long as he/she is actually seeking appropriate employment and subject to the requirement that no individual shall be entitled to more than six (6) months of total payment on an accumulated basis under this clause.

If an individual who qualifies for another occupation providing less than 67% of pre-disability indexed regular gross earnings is unable to secure employment after having completed a rehabilitation program he/she shall be entitled to the 67% level so long as he/she is actually seeking appropriate employment and subject to a maximum payment period of six (6) months.

An employee who initially qualifies as disabled under paragraph (c) shall be eligible to qualify as disabled under paragraph (b) provided he/she satisfies the requirements of paragraph (b) prior to the cessation of disability as defined in paragraph (c).

Bodily sickness shall include:

Mental or nervous disorders. Where the disability period is in excess of twenty-four (24) months the employee must be confined to a hospital or mental institution or, where he/she is at home, under the direct care and supervision of a Physician in order to continue to be eligible for benefits.

Illness resulting from pregnancy and complications arising during or immediately following pregnancy including premature termination.

If an employee in receipt of Short Term Sick Leave or Medium Term Disability returns to full-time employment then:

- (a) if he/she becomes disabled from a different cause he/she shall be entitled to all disability benefits provided under the Plan regardless of how short the period of his/her return to employment;
- (b) if he/she becomes disabled as a result of a recurrence of the original disability then:
 - (1) his/her disability will be considered to be a new disability if it occurs sixty (60) or more calendar days after he/she has returned to work;
 - (2) his/her disability will be considered to be a continuation of his/her original disability if it occurs within sixty (60) calendar days of his/her return to work.

The period of time for which benefits are payable under the Medium Term Disability Plan on an own occupation basis and the terms and conditions on which Long Term Disability benefits are paid for Exempt employees shall be consistent with the terms of this Letter of Intent.

LETTER OF UNDERSTANDING – JOB SHARING

between

THE CITY OF BURNABY
(hereinafter called "the Employer")

and

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 23
(hereinafter called "the Union")

Effective 2013 January 01:

The Union and the Employer agree that where a Regular Full-Time Employee wishes to share her/his full-time position, that such Job Sharing agreements may be mutually agreed upon using the following principles.

General

We agree with the principle of sustaining the Regular Full-Time positions for employees participating in a Job Share. Job Sharing will also be based on the principle of no gain, loss, i.e., that there will be no expenses incurred or any losses.

Any vacancy arising from a Job Share arrangement will be posted on a temporary full-time basis for the regular full-time portion within ten (10) working days of the signing of the letter of confirmation for the individual Job Share arrangement. Participating members are not entitled to jointly apply for promotions or transfers. A regular part-time vacancy arising from a job share will be filled as auxiliary.

Application for Participation in a Job Share

An employee wishing to participate in a Job Share shall apply in writing to the Department Head and shall include in her/his application the following information:

- the reason(s) for the request;
- the manner in which they propose that the workload be shared;

An employee wishing to Job Share shall forward a copy of her/his request to both the Director, Human Resources and the Union.

Upon receipt of each application the Department Head will consult with the Director, Human Resources and the Union and will make a determination to whether the Job Share request will be approved and advise the employee accordingly.

The vacant portion of the proposed Job Share will be posted and filled if there is an acceptable Regular Full-Time or Regular Part-Time internal candidate. If there is no acceptable internal candidate, the Job Share will not proceed.

Job Share arrangements will not be initiated by the Employer.

When a Job Sharing arrangement is approved, the Employer will prepare a letter covering the terms and conditions of the Job Sharing arrangement to be signed by the Union and the Employer.

Hours of Work

The hours of work for the Job Share positions shall be as stated in the Collective Agreement.

The Job Sharing of a position will be on the basis of a 50/50 share. The work schedule for the position will remain as if the position were not shared. For the purposes of applying overtime and shift differential, the Job Share will be treated as if it was a Regular Full-Time position. The incumbents will mutually agree on how overtime and shift differential is shared between the Job Share participants.

LETTER OF UNDERSTANDING – JOB SHARING

Any work performed through the combined efforts of the two Job Share incumbents which exceeds or falls outside of the normal full-time daily or weekly hours of work for the position, shall be paid the overtime rates applicable as per the Collective Agreement.

Where one employee is absent on leave such as vacation or sick leave the other job sharer will be given the opportunity to work those hours.

Shift differential will be paid in accordance with the normal shift for the full-time position.

Salaries and Benefits

For the purpose of earning, crediting, debiting and participating in all vacation, benefits, and seniority pursuant to the Collective Agreement (including but not limited to annual vacations, public holidays, sick leave and disability, all paid leave provisions, increment placement, seniority), participants in Job Share arrangements shall have their entitlements and eligibilities calculated as if they were Regular Part-Time Employees.

Medical Services Plan, Extended Health, Dental and Group Life Insurance

Participants in a Job Share shall be eligible for coverage under M.S.P., Extended Health, Dental, and Group Life Insurance on the same cost sharing arrangement as is applicable to Regular Part-Time Employees.

The employee(s) shall pay one hundred percent (100%) of the premium costs of the Medical Services Plan, if applicable. The premium costs will be adjusted periodically by the Medical Services Plan and current rates are:

Single	\$ 66.50 per month
Couple	\$120.50 per month
Family	\$133.00 per month

The City will pay one hundred percent (100%) of the premium costs of the Dental Plan, Extended Health Plan, and Group Life Insurance.

Municipal Pension Plan

Participants in a Job Share arrangement will continue their contributions to the Municipal Pension Plan on the basis of hours worked.

Short, Medium and Long Term Disability

Short, Medium and Long Term Disability benefits will be in accordance with the ratio that each participant's weekly hours bears to the full-time hours (i.e., 50/50 share). The penalty system for Short Term Sick Leave will apply on the same basis as Regular Full-Time.

Public Holidays and Vacation Entitlement

While vacation is earned on a proportionate basis to full-time hours worked, employees shall be entitled to a percentage in lieu of vacation and public holidays as follows:

- Where an employee is eligible for two (2) weeks' vacation, the employee will receive eight percent (8%) in lieu of public holidays and vacation;
- Where the employee is eligible for three (3) weeks' vacation, the employee will receive ten percent (10%) in lieu of public holidays and vacation;
- Where the employee is eligible for four (4) weeks' vacation, the employee will receive twelve percent (12%) in lieu of public holidays and vacation and so on.

Termination of a Job Share

There will be a formal review by the Union and Management of each Job Share when it has been in place for one year. For the initial 12 month trial period of the job share, the Union or Management may serve 3 months' written notice that the Job Share is to end. Either incumbent can terminate the Job Share at any time with 3 months' written notice. In the event that this occurs, the position will revert to full-time status, with its original incumbent, and the other incumbent will revert to their former position.

The maximum duration of a Job Share will be five (5) years.

The Job share will end should one of the incumbents leave their position (resignation, promotion, employee initiated transfer...). When this occurs, the position will be filled as follows:

If the remaining Job Share incumbent is the employee who originally held the full-time position, they may choose to resume working full-time or request that the balance of the Job Share be posted with the understanding that the combined total duration of the Job Share is not to exceed five (5) years. In the event that there is no suitable candidate for the balance of the Job Share, the incumbent will have to assume the full-time position.

If the remaining Job Share incumbent is the employee who did not originally hold the full-time position, the position will be posted as Regular Full-Time, and the remaining Job Share incumbent may apply for the position. If they choose not to apply, or are unsuccessful in the competition, the incumbent will revert to their former Regular Full-Time or Regular Part-Time position.

The Regular Full-Time or Regular Part-Time position held by an employee who successfully applies for a posted Job Share will be filled on a temporary full-time (for RFT) and auxiliary (for RPT) basis with the understanding that should the incumbent not revert at the end of the Job Share, the position will be posted as Regular Full-Time or Regular Part-Time.
