1.1 Term of Agreement

1.1.1 This Agreement shall be for a term of two (2) years with effect from 2020 January 01 to 2021 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and, except with respect to changes to rates of pay made pursuant to the Job Evaluation Agreement between the parties et al, neither party shall make any change or alter the terms of this Agreement until:

- b) The City can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

1.1.2 The operation of Sub-Sections (2) and (3) of Section 50 of the Labour Relations Code shall be specifically excluded from, and shall not be applicable to this Agreement.

1.2 Coverage

This Agreement shall apply to all those employed by the City who occupy the position classes listed under Schedule "A" of this Agreement and amendments thereto by agreement of the parties hereto or in accordance with the Labour Relations Code.

1.3 Employment Equity

The City and the Union agree with employment equity programs which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

2 DEFINITIONS OF EMPLOYEES

2.1 Definitions of Employees

2.1.1 A Regular Full-Time Employee is an employee who is employed on a full-time basis of 35, 37½, 40 or such other number of weekly hours as is recognized in the Collective Agreement as normal for a particular class of positions, for an indefinite period of time.

2.1.2 A Temporary Full-Time Employee is an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time [which may be extended or cut short by circumstances which could not be foreseen at the time of hiring].

- a) Where Temporary Full-Time Employees are hired for a specific project and are advised at the time of being hired of the expected duration of the project, the City will notify the Union as soon as possible in the event circumstances subsequently arise which have the effect of terminating the project earlier than had been expected and announced.

2.1.3 A Regular Part-Time Employee is an employee who is employed on a Regular Part-Time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time.

2.1.4 An Auxiliary Employee is any other employee.

2.2 Probation

2.2.1 All new Regular Full-Time and Temporary Full-Time Employees shall complete a probationary period of six (6) months of service except for positions at pay grade 27 and above shall complete a probationary period of twelve (12) months.

2.2.2 Regular Part-Time Employees shall complete a probationary period of the same number of hours as are applicable to a Regular Full-Time Employee occupying a similar classified position.

2.2.3 Where a probationary employee is absent during the probationary period, the probationary period shall be extended by the total number of days absent.

3 UNION SECURITY

3.1 Union Membership

3.1.1 Every probationary employee shall become a member of the Union immediately upon date of hire.

3.1.2 All members shall remain as members of the Union as a condition of employment; provided that no employee shall be deprived of employment by reason of loss of Union membership for any reason other than failure to pay regular Union dues.

3.2 Union Dues

3.2.1 The dues formula for all employees shall be such amounts as determined by Article 10, Section 1, of the Constitution and By-laws of the Union.

3.2.2 The City will deduct from the pay of each employee covered by this Agreement all regular Union dues and initiation fees as determined by the Union and will transmit the total amount so deducted to the Union; provided that each employee has signed a form, to be supplied by the City, authorizing the said deduction. The form shall be substantially the form as provided for in Section 16(2) of the Labour Relations Code.

4 HOURS OF WORK

4.1 Hours of Work

4.1.1 The normal hours of work shall be eight (8) consecutive hours, exclusive of one-half (½) hour for lunch, between the hours of 07:00 h to 17:00 h Monday to Friday inclusive.

4.1.2 It is agreed that certain operations are necessary on Saturday and Sunday. The City will notify the Union one (1) week in advance of instituting a work week other than Monday to Friday. A work week in such instances shall be comprised of five (5) consecutive days.

4.1.3 It is agreed that the normal daily hours of work for certain classes of employees may fall outside the standard definition in paragraph 4.1.1 above. Agreed exceptions are detailed in Schedule "B". Classes included in this Schedule may be altered or added to as necessary according to City requirements by mutual consent of the parties hereto.

4.1.4 Normal daily and weekly hours shall be deemed to be eight (8) and forty (40) respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a position normally occupied by a full-time employee whose normal hours shall be deemed to be the normal hours of the Auxiliary Employee.

4.2 Rest Periods

A ten (10) minute rest period shall be allowed during the first half of each working shift and a further ten (10) minute rest period during the second half.

4.3 Shift Work

4.3.1 Regular shift work may be instituted by the City subject to the following provisions:

- a) Shifts shall be at least one (1) week duration.
- b) Shifts shall consist of eight (8) hours exclusive of a half (½) hour lunch period.
- c) The Union shall be notified at least five (5) days in advance of a shift being instituted.

4.3.2 Emergency shifts may be instituted by the City, in which case the employee concerned shall be given a minimum of eight (8) hours' notice and the shifts shall continue for at least two (2) days, otherwise overtime rates will apply. Emergency shifts shall consist of eight (8) hours exclusive of a half (½) hour lunch period.

4.3.3 The hours of work for classes of employees referred to in Clause 4.1.3 shall not be construed as shift work.

4.4 Shift Differential

4.4.1 Shift differential shall be eighty-five cents (85¢) per hour and shall be payable for those hours of a regular shift so worked by such an employee outside the exempt hours of work; provided, however, that if more than one-half of the hours of the regular shift so worked fall outside the exempt hours of work, the shift differential shall be applied to the hours worked in the entire regular shift. For the purpose of this Clause 4.4, exempt hours of work means the normal hours of work for an employee within the range of 07:00 h to 17:00 h together with the hour immediately preceding and the hour immediately following such normal hours of work. For example, if the normal hours of work are 07:00 h to 15:30 h, the exempt hours of work would be 06:00 h to 16:30 h. If the normal hours of work are 07:30 h to 16:00 h, then the exempt hours of work would be 06:30 h to 17:00 h.

4.4.2 No shift differential premium will be paid to Auxiliary Employees unless they are relieving full-time employees on shifts that would otherwise carry such premiums.

4.5 Overtime

4.5.1 Overtime - Regular Full-Time and Temporary Full-Time Employees

- a) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid at overtime rates for all overtime worked:

- i. immediately following the employee's regular shift;

Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph b) iii.
- c) For the purpose of computing overtime, leave of absence without pay shall not be considered as hours worked.
- d) An employee shall elect at the time of working such overtime whether to be paid for it or instead to receive compensating time off in lieu. An employee who elects to receive compensating time off shall be credited with compensating time off equivalent to the number of hours which the employee would have been paid for the overtime worked, and, subject to an employee's request to be granted compensating time off being approved by the department head [or delegate], such employee shall be granted any portion of the compensating time off at the pay rate or rates in effect at the time the overtime in question was worked to a maximum amount of one hundred and twenty (120) hours to be applied in compensatory time off. The remainder will be paid out on March 31 of the following year. All compensating time off credited during a particular calendar year but which has not been granted to an employee by March 31 of the immediately following year shall be paid in cash at that time at the pay rate or rates in effect at the time the overtime in question was worked.

- e) Where an employee works overtime and/or is called out to deal with situations where the City is able to recover the overtime and/or callout costs from the Provincial Emergency Program, the City shall have the option of paying the employee for such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

4.5.2 Overtime - Regular Part-Time and Auxiliary Employees

- a) Normal Hours - Regular Part-Time Employees

For purposes of applying overtime rates, normal daily and weekly hours for all Regular Part-Time Employees shall be deemed to be those of a Regular Full-Time Employee whose position is similarly classified.

- b) Normal Hours - Auxiliary Employees

- i. Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a 7-day week basis, shall be permitted to work at straight time rates for up to eight (8) hours per day on any five (5) days during a work week [which for the purposes of this Clause shall be deemed to commence at 00:01 h on Monday morning and to end at 23:59 h on the immediately following Sunday].
- ii. Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a 6-day week basis, shall be permitted to work at straight time rates for up to eight (8) hours per day on any five (5) days during the 6-day week as defined in the Collective Agreement.

4.6 Callout

4.6.1 The following provisions shall apply to Regular Full-Time and Temporary Full-Time Employees:

- a) An employee who is called back to work by the City at any time after completing a regular shift, except where such employee is required to work overtime as a consequence of an oral or written notice given prior to the end of the employee's previous shift as provided in Clause 4.5.1, shall be paid at the rate of double the employee's normal rate of pay for the time actually worked and in addition thereto shall be paid one (1) hour at double the normal rate of pay for travelling time to and from home.

Except as otherwise provided in Clause 4.6.1 b) an employee who is called back to work under this Clause 4.6 shall be paid a minimum of three (3) hours [the minimum includes one (1) hour for travelling time] at double the employee's normal rate of pay. Call back within fifteen (15) minutes of the end of a regular shift will not receive compensation for travelling time.

Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

- b) If, after a callout, an additional call or calls are made upon the employee before the expiry of the minimum three (3) hour period or before arrival home, whichever shall last occur, the additional call or calls shall not qualify the employee for an additional minimum three (3) hour period or periods but the employee shall be paid at double the employee's normal rate of pay for the time actually worked and an additional one (1) hour at double the normal rate of pay for travelling time to and from home. Where two (2) separate calls are completed by an employee within a three (3) hour period the employee shall be paid at double the employee's normal rate of pay for a minimum of four (4) hours [the minimum includes two (2) hours for travelling time].
- c) For the purposes of this Clause 4.6, a callout shall commence one-half (½) hour before actual commencement of work for which the employee was called back and terminate one-half (½) hour after actual completion of such work. The one-half (½) hour at the commencement and termination of the callout time is the travelling time allowed the employee hereunder.

4.7 Standby

4.7.1 The following provisions shall apply to all employees:

- a) Employees who are required by the City to stand by for a call to work between the end of a normal day shift on the first day of work in a normal work week as

defined in Clause 4.1 [excluding public holidays] and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's normal rate of pay for each period of eight (8) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.6.

- b) Employees who are required by the City to stand by for a call to work at any time except employees who are required to stand by for a call to work under paragraph a) herein shall be paid one (1) hour's pay at the employee's normal rate of pay for each period of six (6) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.6.

Upon the completion by the employee of three and one-half (3½) continuous hours of overtime work following the completion of the three and one-half (3½) hour work period by the employee, the employee shall be given another paid meal period of one-half (½) hour which, except in the case of an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

- c) For each meal period given to an employee under Clause 4.8.1 a) or Clause 4.8.1 b) the employee shall be paid one-half (½) hour's pay at double the employee's normal rate of pay.

f) Layoffs

Layoffs for periods exceeding five (5) days shall apply first on the basis of Class Seniority. An employee who has been laid off may bump a junior employee within the same class only in cases where the senior employee is qualified to fill the position occupied by the junior employee. An employee laid off from a position class shall revert to the position class previously held provided that such employee is qualified to fill the lower position. In the context of this Clause an employee shall be considered qualified, in the case of a Driver or Equipment Operator, where the employee has been certified through the City Driver/Equipment Operator training program and, in any other case, where the employee has acted in the position class in a satisfactory manner. An employee laid off from a position class shall have the option of working as a Labourer based on City Seniority.

g) Advance Notice of Layoff

Except in cases of inclement weather, strikes, lock-outs or other circumstances beyond the control of the City, the City shall notify employees, who have acquired seniority rights, and who are to be laid off, at least ten (10) working days prior to the effective date of layoff. If the employee has not had the opportunity to work during the ten (10) days referred to above, the employee shall be paid for those days for which work was not made available.

h) Recall

- i. Employees shall be recalled to positions for which they are qualified, in the order of their seniority, either bargaining unit-wide or by branch or by class as the case may be.
 - ii. No new employees shall be hired following a layoff until those who were laid off have been given a reasonable opportunity of recall as follows.
 - iii. The City shall make every reasonable attempt to contact employees in order of seniority, and employees shall be recalled in such order providing that they respond within the stipulated time limits. Upon making contact with an employee, the City shall specify the time when the employee shall report for work. An employee who does not respond within forty-eight (48) hours of the City's initial attempt to make contact or who refuses to report for work shall be dropped to the bottom of the appropriate list for recall. An employee shall report to work at the time specified by the City or, in extenuating circumstances, within two (2) weeks of the City's initial attempt to contact the employee. Each employee on layoff will be responsible for keeping the City notified of a current contact point through which the employee can be reached.
- i) Rights of Employees Promoted Out of the Bargaining Unit
- i. In the event of an employee being promoted from a position for which the Union either had bargaining authority at the time of the promotion or subsequently obtained bargaining authority, to a position whether included in or excluded from the Union contract, and such employee being subsequently laid off or demoted to a position for which the Union has bargaining authority, the City shall have the right to place such employee in the position previously held by the employee or in any vacant position for which such employee is considered qualified. The employee, if so placed as the result of being laid off or demoted, shall suffer no loss of seniority and such seniority shall be the employee's total length of service with the City.
 - ii. The employee being promoted out of the bargaining unit will only retain seniority rights "for a period of three (3) years".
 - iii. Where a Regular Full-Time or Temporary Full-Time employee is successful on a temporary full-time posting outside of the bargaining unit, that position left by the Regular Full-Time or Temporary Full-Time employee will be posted on a temporary full-time basis; subsequent positions are not required to be posted. Where the City decides to fill such positions on an acting in a senior capacity basis, first consideration shall be given to Regular Full-Time employees.
- j) In the event of an employee being retired from the City from a position for which the Union had bargaining authority at the time of the retirement and included in this Union contract, then that employee loses all bargaining unit rights including

seniority and would be considered an external candidate for future opportunities in the bargaining unit.

 - k) Registration for future Auxiliary employment will be made upon a standard form which will be signed and dated by the applicant and which will state the classes within which the applicant would be willing to accept a position. The completed form will be signed and dated by an authorized representative of the City and both the applicant and the Union will be provided with a copy by way of receipt.
 - l) When an Auxiliary Employee who has attained class seniority, who has been laid off and who has registered for future Auxiliary employment, also registers a desire to be taken into consideration for Auxiliary work in a class for which the employee does not possess class seniority, such employee shall be taken into consideration for appointment to a position within such new class on the basis of the employee's skills, knowledge and ability, and in any case where there is no registered applicant possessing seniority in the new class in question, and where the employee's skills, knowledge and ability are sufficient so as to render the employee qualified, then
 - i. if the Auxiliary Employee is the only registered and qualified applicant, the employee shall be appointed to the said position.

SCHEDULE "F" – TECHNOLOGICAL CHANGE

SCHEDULE "F" – TECHNOLOGICAL CHANGE

TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the City introduces, or intends to introduce, a technological change that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party hereto may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board, constituted under Clause 16.2, step 5, of this Agreement, bypassing all other steps in the Grievance Procedure.

The Arbitration Board shall decide whether or not the City has introduced, or intends to introduce a technological change, and upon deciding that the City has or intends to introduce a technological change the Arbitration Board:

- (a) shall inform the Minister of Labour of its findings; and
- (b) may then or later make any one or more of the following orders:
 - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (2) that the City will not proceed with the technological change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - (3) that the City reinstate any employee displaced by reason of the technological change;
 - (4) that the City pay to that employee such compensation in respect of the displacement as the Arbitration Board considers reasonable.

The City will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated

SCHEDULE "G" – CONVERSION OF EMPLOYEE BENEFITS RE: COMPRESSED WORK WEEK

SCHEDULE "G" – CONVERSION OF EMPLOYEE BENEFITS RE: COMPRESSED WORK WEEK

PRINCIPLES GOVERNING THE CONVERSION OF EMPLOYEE BENEFITS IN CASES OF INTRODUCTION OR RENEWAL OF COMPRESSED WORK WEEKS

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' benefits shall be converted as follows:

- (a) Basic annual working hours shall be calculated as $260.89 \times \text{daily working hours as per the 5-day week}$, e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
- (b) Basic annual public holiday hours shall be calculated as $12 \times \text{daily hours as per the 5-day week}$, e.g. $12 \times 7 = 84$, or $12 \times 7.5 = 90$.
- (c) Account shall be taken of the difference in basic annual rest period allowances, e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
- (d) Employees shall have at least two (2) of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
- (e) For purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph (h) herein.
- (f) Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph (h) herein.
- (g) Notwithstanding any clause in a collective agreement to the contrary, an employee shall not receive pay for acting in a senior capacity where the employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
- (h) In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual
