OF THE FIRST PART:

AND:

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 23

(Burnaby Civic Employees)

On behalf of its OUTSIDE WORKERS' DIVISION

(hereinafter called the "Union")

OF THE SECOND PART:

1 GENERAL

1.1 Term of Agreement

1.1.1 This Agreement shall be for a term of three (3) years with effect from 2025 January 01 to 2027 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and, except with respect to changes to rates of pay made pursuant to the Job Evaluation Agreement between the parties et al, neither party shall make any change or alter the terms of this Agreement until:

- a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or
- b) The City can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

1.1.2 The operation of Sub-Sections (2) and (3) of Section 50 of the Labour Relations Code shall be specifically excluded from, and shall not be applicable to this Agreement.

1.2 Coverage

This Agreement shall apply to all those employed by the City who occupy the position classes listed under Schedule "A" of this Agreement and amendments thereto by agreement of the parties hereto or in accordance with the Labour Relations Code.

1.3 Employment Equity

The City and the Union agree with employment equity programs which will assist visible minorities, persons with disabilities, Indigenous Peoples, and women in gaining entry into employment and which will provide opportunities for advancement.

2 DEFINITIONS OF EMPLOYEES

2.1 Definitions of Employees

2.1.1 A Regular Full-Time Employee is an employee who is employed on a full-time basis of 35, 37½, 40 or such other number of weekly hours as is recognized in the Collective Agreement as normal for a particular class of positions, for an indefinite period of time.

2.1.2 A Temporary Full-Time Employee is an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time up to twenty-four (24) months (which may be extended by mutual agreement or cut short by circumstances which could not be foreseen at the time of hiring).

Where Temporary Full-Time Employees are hired for a specific project and are advised at the time of being hired of the expected duration of the project, the City will notify the Union as soon as possible in the event circumstances subsequently arise which have the effect of terminating the project earlier than had been expected and announced.

2.1.3 A Regular Part-Time Employee is an employee who is employed on a Regular Part-Time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time.

2.1.4 An Auxiliary Employee is an employee whose work schedule is not compatible with the schedule of a Regular Full-Time, Temporary Full-Time, or Regular Part-Time employee. Examples of auxiliary work include but are not limited to ad hoc work, vacation and sick coverage, and work of an emergency nature.

2.2 Probation

2.2.1 All new Regular Full-Time and Temporary Full-Time Employees shall complete a probationary period of six (6) months of service. The Employer may extend the probationary period up to six (6) months with agreement from the Union, which shall not be unreasonably denied. An extension of the probationary period shall not affect applicable entitlements under the Collective Agreement.

Positions at pay grade 27 and above shall complete a probationary period of twelve (12) months.

2.2.2 Regular Part-Time Employees shall complete a probationary period of the same number of hours as are applicable to a Regular Full-Time Employee occupying a similar classified position.

2.2.3 Where a probationary employee is absent during the probationary period, the probationary period shall be extended by the total number of days absent.

- 2.2.4** Temporary Full-Time Employees who are rehired within one (1) year of the conclusion of their temporary full-time employment and have completed a probationary period of six (6) months of service in a single TFT assignment will not have to re-serve the probationary period as outlined in Clause 2.2.1.

3 UNION SECURITY

3.1 Union Membership

- 3.1.1** Every probationary employee shall become a member of the Union immediately upon date of hire.
- 3.1.2** All members shall remain as members of the Union as a condition of employment; provided that no employee shall be deprived of employment by reason of loss of Union membership for any reason other than failure to pay regular Union dues.

3.2 Union Dues

- 3.2.1** The dues formula for all employees shall be such amounts as determined by Article 10, Section 1, of the Constitution and By-laws of the Union.
- 3.2.2** The City will deduct from the pay of each employee covered by this Agreement all regular Union dues and initiation fees as determined by the Union and will transmit the total amount so deducted to the Union; provided that each employee has signed a form, to be supplied by the City, authorizing the said deduction. The form shall be substantially the form as provided for in Section 16(2) of the Labour Relations Code.

3.3 Union Representation

- 3.3.1** Employees have a right to have a shop steward present where the Employer may impose discipline.
- 3.3.2** The Employer will provide at least twenty-four (24) hours' notice of the meetings described above except in emergency situations, and the notice will include the subject, time and place of the meeting.
- 3.3.3** Performance and coaching meetings are not considered disciplinary, but may be used by the Employer to establish knowledge of an expected standard.

4 HOURS OF WORK

4.1 Hours of Work

- 4.1.1** The normal hours of work shall be eight (8) consecutive hours, exclusive of one-half (½) hour for lunch, between the hours of 07:00 h to 17:00 h Monday to Friday inclusive.
- 4.1.2** It is agreed that certain operations are necessary on Saturday and Sunday. The City will notify the Union one (1) week in advance of instituting a work week other than Monday to Friday. A work week in such instances shall be comprised of five (5) consecutive days.
- 4.1.3** It is agreed that the normal daily hours of work for certain classes of employees may fall outside the standard definition in paragraph 4.1.1 above. Agreed exceptions are detailed in Schedule "B". Classes included in this Schedule may be altered or added to as necessary according to City requirements by mutual consent of the parties hereto.

4.1.4 Normal daily and weekly hours shall be deemed to be eight (8) and forty (40) respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a position normally occupied by a full-time employee whose normal hours shall be deemed to be the normal hours of the Auxiliary Employee.

4.2 Rest Periods

A ten (10) minute rest period shall be allowed during the first half of each working shift and a further ten (10) minute rest period during the second half.

4.3 Shift Work

4.3.1 Regular shift work may be instituted by the City subject to the following provisions:

- a) Shifts shall be at least one (1) week duration.
- b) Shifts shall consist of eight (8) hours exclusive of a half (½) hour lunch period.
- c) The Union shall be notified at least five (5) days in advance of a shift being instituted.

4.3.2 Emergency shifts may be instituted by the City, in which case the employee concerned shall be given a minimum of eight (8) hours' notice and the shifts shall continue for at least two (2) days, otherwise overtime rates will apply. Emergency shifts shall consist of eight (8) hours exclusive of a half (½) hour lunch period.

4.3.3 The hours of work for classes of employees referred to in Clause 4.1.3 shall not be construed as shift work.

4.4 Shift Differential

4.4.1 Shift differential shall be one dollar (\$1.00) per hour and shall be payable for those hours of a regular shift so worked by such an employee outside the exempt hours of work; provided, however, that if more than one-half of the hours of the regular shift so worked fall outside the exempt hours of work, the shift differential shall be applied to the hours worked in the entire regular shift. For the purpose of this Clause 4.4, exempt hours of work means the normal hours of work for an employee within the range of 07:00 h to 17:00 h together with the hour immediately preceding and the hour immediately following such normal hours of work. For example, if the normal hours of work are 07:00 h to 15:30 h, the exempt hours of work would be 06:00 h to 16:30 h. If the normal hours of work are 07:30 h to 16:00 h, then the exempt hours of work would be 06:30 h to 17:00 h.

4.4.2 No shift differential premium will be paid to Auxiliary Employees unless they are relieving full-time employees on shifts that would otherwise carry such premiums.

4.5 Overtime

4.5.1 Overtime - Regular Full-Time and Temporary Full-Time Employees

- a) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid at overtime rates for all overtime worked:
 - i. immediately following the employee's regular shift;
 - ii. immediately preceding the employee's current scheduled shift consequent upon an oral or written notice given prior to the end of the employee's previous scheduled shift;

- iii. at any other time than at the times set forth in paragraphs a) i or a) ii herein of this Clause 4.5.1 consequent upon an oral or written notice given prior to the end of the employee's previous regular shift except as otherwise provided in Clause 9, Public Holidays.
- b) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid for the performance of overtime work scheduled by the City under paragraph a) herein at the following overtime rates:
 - i. time and one-half the standard rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
 - ii. double the standard rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
 - iii. double the standard rate of pay for all overtime worked at any other time than immediately preceding or immediately following an employee's regular shift on any regular working day of the employee. Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph b) iii.
- c) For the purpose of computing overtime, leave of absence without pay shall not be considered as hours worked.
- d) An employee shall elect at the time of working such overtime whether to be paid for it or instead to receive compensating time off in lieu. An employee who elects to receive compensating time off shall be credited with compensating time off equivalent to the number of hours which the employee would have been paid for the overtime worked, and, subject to an employee's request to be granted compensating time off being approved by the department head (or delegate), such employee shall be granted any portion of the compensating time off at the pay rate or rates in effect at the time the overtime in question was worked to a maximum amount of one hundred and twenty (120) hours to be applied in compensatory time off. The remainder will be paid out on March 31 of the following year. All compensating time off credited during a particular calendar year but which has not been granted to an employee by March 31 of the immediately following year shall be paid in cash at that time at the pay rate or rates in effect at the time the overtime in question was worked.
- e) Where an employee works overtime and/or is called out to deal with situations where the City is able to recover the overtime and/or callout costs from the Provincial Emergency Program, the City shall have the option of paying the employee for such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

4.5.2 Overtime - Regular Part-Time and Auxiliary Employees

a) Normal Hours - Regular Part-Time Employees

For purposes of applying overtime rates, normal daily and weekly hours for all Regular Part-Time Employees shall be deemed to be those of a Regular Full-Time Employee whose position is similarly classified.

b) Normal Hours - Auxiliary Employees

- i. Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a seven (7)-day week basis, shall be permitted to work at straight time rates for up to eight (8) hours per day on any five (5) days during a

work week (which for the purposes of this Clause shall be deemed to commence at 00:01 h on Monday morning and to end at 23:59 h on the immediately following Sunday).

- ii. Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a six (6)-day week basis, shall be permitted to work at straight time rates for up to eight (8) hours per day on any five (5) days during the six (6)-day week as defined in the Collective Agreement.

c) Overtime Rates - Regular Part-Time and Auxiliary Employees

Overtime rates will be paid on the following basis to all Auxiliary, and Regular Part-Time Employees:

- i. Time and one-half (1½X) for the first four (4) hours worked in excess of the normal daily hours in a day;
- ii. Two times (2X) for hours worked beyond four (4) in excess of the normal daily hours in a day;
- iii. In any case where an employee has already performed work on five (5) days during the week, time and one-half (1½X) for any hours worked prior to 12:00 h on the sixth (6th) day of work in that week, two times (2X) for hours worked after 12:00 h on the sixth day, and two (2X) times for all hours worked on the seventh (7th) day of work in that week.

4.6 Callout

4.6.1 The following provisions shall apply to Regular Full-Time and Temporary Full-Time Employees:

- a) Effective 2026 April 08, an employee who is called back to the worksite by the City at any time after completing a regular shift, except where such employee is required to work overtime as a consequence of an oral or written notice given prior to the end of the employee's previous shift as provided in Clause 4.5.1, shall be paid at the rate of double (2X) the employee's normal rate of pay for the time actually worked and in addition thereto shall be paid one (1) hour at double (2X) the normal rate of pay for travelling time to and from home.

Except as otherwise provided in Clause 4.6.1 b) an employee who is called back to work under this Clause 4.6 shall be paid a minimum of three (3) hours (the minimum includes one (1) hour for travelling time) at double (2X) the employee's normal rate of pay. Call back within fifteen (15) minutes of the end of a regular shift will not receive compensation for travelling time.

Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

- b) If, after a callout, an additional call or calls are made upon the employee before the expiry of the minimum three (3) hour period or before arrival home, whichever shall last occur, the additional call or calls shall not qualify the employee for an additional minimum three (3) hour period or periods but the employee shall be paid at double (2X) the employee's normal rate of pay for the time actually worked and an additional one (1) hour at double (2X) the normal rate of pay for travelling time to and from home. Where two (2) separate calls are completed by an employee within a three (3) hour period the employee shall be paid at double (2X) the employee's normal rate of pay for a minimum of four (4) hours (the minimum includes two (2) hours for travelling time).

- c) For the purposes of this Clause 4.6, a callout shall commence one-half ($\frac{1}{2}$) hour before actual commencement of work for which the employee was called back and terminate one-half ($\frac{1}{2}$) hour after actual completion of such work. The one-half ($\frac{1}{2}$) hour at the commencement and termination of the callout time is the travelling time allowed the employee hereunder.
- d) An employee shall elect at the time of working such callout whether to be paid for it or instead to receive compensating time off, which shall be banked in accordance with the overtime provisions for Overtime 4.5.1 d).
- e) Virtual Callout

Effective 2026 April 08:

A “virtual callout” is a callout where an employee is called back to work by the City at any time after completing a regular shift and can perform the work over the phone or by computer without physically returning to a worksite to do the work.

An employee who receives a virtual callout shall be paid double (2X) the employee’s regular rate of pay (i.e., hourly rate for their position) for a minimum of one (1) hour. Multiple phone or computer callouts within the one (1) hour period will be treated as one (1) event for the purpose of virtual callout pay. Continuous callout time worked over the initial one (1) hour minimum will be paid for actual time worked at double (2X) the employee’s regular rate of pay (i.e., hourly rate for their position).

If fifteen (15) minutes have passed since the end of the one (1) hour minimum or continuous callout and another virtual callout occurs, the employee will again be paid for one (1) hour minimum at double (2X) the employee’s regular rate of pay (i.e., hourly rate for their position).

An employee will not be eligible for virtual callout should a physical return to the worksite result from notification in which case the callout provisions of a), b), and c) will apply.

4.7 Standby

4.7.1 The following provisions shall apply to all employees:

- a) Employees who are required by the City to stand by for a call to work between the end of a normal day shift on the first day of work in a normal work week as defined in Clause 4.1 (excluding public holidays) and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's normal rate of pay for each period of eight (8) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.6.
- b) Employees who are required by the City to stand by for a call to work at any time except employees who are required to stand by for a call to work under paragraph a) herein shall be paid one (1) hour's pay at the employee's normal rate of pay for each period of six (6) hours that the employee stands by as required by the City in addition to any callout pay to which the employee may be entitled under Clause 4.6.
- c) Where the period of time which an employee stands by under this Clause 4.7 exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the employee shall be paid one (1) hour's pay at the rate provided in this Clause 4.7 for the remainder of the standby time unless the remainder is not more than one-half ($\frac{1}{2}$) of the standby period of six (6) hours or eight (8) hours (as the case may be) in which event the premium payable to the employee for the remainder shall be one-half ($\frac{1}{2}$) hour's pay at the rate provided in this Clause 4.7.

- d) An employee shall elect at the time of working such standby whether to be paid for it or instead to receive compensating time off, which shall be banked in accordance with the overtime provisions for Overtime 4.5.1 d).

4.8 Meal Periods

4.8.1 The following provisions shall apply to Regular Full-Time Employees and Temporary Full-Time Employees:

- a) During Overtime Worked Immediately Following or Immediately Preceding an Employee's Regular Shift

If an employee is required to work overtime immediately following or immediately preceding the employee's regular shift under Clause 4.5.1 a) i or Clause 4.5.1 a) ii then upon the completion by the employee of two (2) continuous hours of such overtime work, the employee shall be given a paid meal period of one-half (½) hour which the City may permit the employee to begin at any time within the two (2) hour work period if the City estimates that two (2) hours of overtime work will be required; provided however that, except in the case of an emergency, the meal period shall begin no later than the end of the two (2) hour work period. Upon the completion by the employee of three and one-half (3½) continuous hours of overtime work following the completion of the two (2) hour work period by the employee, the employee shall be given another paid meal period of one-half (½) hour which, except in the case of an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

- b) During Callouts and Scheduled Overtime Worked Other Than Immediately Following or Immediately Preceding an Employee's Regular Shift

An employee who completes three and one-half (3½) continuous hours of overtime work at any time other than immediately following or immediately preceding the employee's regular shift after being called back to work by the City under Clause 4.8 or after the commencement of overtime work previously scheduled by the City under Clause 4.5.1 a) iii shall be given a paid meal period of one-half (½) hour which the City may permit the employee to begin at any time within the three and one-half (3½) hour work period if the City estimates that three and one-half (3½) hours of overtime work will be required; provided however that, except in the case of an emergency, the meal period shall begin no later than the end of the three and one-half (3½) hour work period. Upon the completion by the employee of three and one-half (3½) continuous hours of overtime work following the completion of the three and one-half (3½) hour work period by the employee, the employee shall be given another paid meal period of one-half (½) hour which, except in the case of an emergency, shall be taken at the end of each three and one-half (3½) hour work period.

- c) For each meal period given to an employee under Clause 4.8.1 a) or Clause 4.8.1 b) the employee shall be paid one-half (½) hour's pay at double (2X) the employee's normal rate of pay.
- d) Where by reason of an emergency it is not feasible to give a meal period at the designated time under Clause 4.8.1 a) or Clause 4.8.1 b), it shall be taken as soon as practicable and in addition the City shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal period.

4.9 Daily Guarantee

4.9.1 Subject to the provisions of paragraph 4.9.3, an employee reporting for a scheduled shift on the call of the City, shall receive the employee's regular hourly rate of pay for the entire period spent at the place of work, with a minimum of two (2) hours' pay at the regular hourly rate.

6.1.6 Application of Seniority

- a) Application of Skill, Knowledge and Ability

In making appointments, promotions, transfers and demotions, the skill, knowledge and ability of the employees concerned shall be the primary consideration, but where such qualifications are equal, seniority shall be the determining factor.

b) Application of Class Seniority or Foreperson - Outside Seniority

Subject to Clause 6.1.6 a) an employee may exercise Class Seniority or Foreperson - Outside Seniority for any posted competition for positions covered by the Foreperson's or Outside Workers' Division Agreements and may exercise Class Seniority for temporary work in the class which exceeds one (1) month.

The City shall have the right for sixty (60) days immediately after the first notice is posted by it with respect to a new position and/or vacancy to fill the new and/or vacant position on a temporary basis, but the temporary appointment shall expire at the end of the sixty (60) day period or when the new appointment is made, whichever is the earlier.

d) In-Service Trial Period Upon Promotion or Transfer

- i. A promoted or transferred employee will be on in-service trial period during the first three (3) months of the promotion or transfer to determine suitability in the position. This period of time may be extended up to three (3) calendar months by mutual consent of both Parties in writing, which shall not be unreasonably denied. If an employee does not prove satisfactory in the new position, the City shall place the employee in a position at the same pay level as the employee's former class, without loss of seniority.
- ii. Where a promoted or transferred employee is absent during the in-service trial period, the in-service trial period shall be extended by the number of days absent.

e) Emergency Layoffs

- i. During inclement weather, when construction work must be closed down and there is no immediately available alternative work, the City shall have the right to lay off employees from a position class other than Labourer without regard to seniority for a period not exceeding five (5) days. Such employees shall have the option of working as labourers.
- ii. Layoff of labourers under this Section shall be on the basis of City Seniority.
- iii. Employees assigned to operate equipment from a central pool shall revert to and be re-assigned within the pool.

f) Layoffs

An employee who has been laid off may bump a junior employee within the same class only in cases where the senior employee is qualified to fill the position occupied by the junior employee. An employee laid off from a position class shall revert to the position class previously held provided that such employee is qualified to fill the lower position. In the context of this Clause an employee shall be considered qualified, in the case of a Driver or Equipment Operator, where the employee has been certified through the City Driver/Equipment Operator training program and, in any other case, where the employee has acted in the position class in a satisfactory manner. An employee laid off from a position class shall have the option of working as a Labourer based on City Seniority.

g) Advance Notice of Layoff

Except in cases of inclement weather, strikes, lock-outs or other circumstances beyond the control of the City, the City shall notify employees, who have acquired seniority rights, and who are to be laid off, at least ten (10) working days prior to the effective date of layoff. If the employee has not had the opportunity to work during the ten (10) days referred to above, the employee shall be paid for those days for which work was not made available.

The City shall make every reasonable attempt to contact employees in order of seniority, and employees shall be recalled in such order providing that they respond within the stipulated time limits. Upon making contact with an employee, the City shall specify the time when the employee shall report for work. An employee who does not respond within forty-eight (48) hours of the City's initial attempt to make contact or who refuses to report for work shall be dropped to the bottom of the appropriate list for recall. An employee shall report to work at the time specified by the City or, in extenuating circumstances, within two (2) weeks of the City's initial attempt to contact the employee. i) Rights of Employees Promoted Out of the Bargaining Unit

- i. In the event of an employee being promoted from a position for which the Union either had bargaining authority at the time of the promotion or subsequently obtained bargaining authority, to a position whether included in or excluded from the Union contract, and such employee being subsequently laid off or demoted to a position for which the Union has bargaining authority, the City shall have the right to place such employee in the position previously held by the employee or in any vacant position for which such employee is considered qualified. The employee, if so placed as the result of being laid off or demoted, shall suffer no loss of seniority and such seniority shall be the employee's total length of service with the City.
 - ii. The employee being promoted out of the bargaining unit will only retain seniority rights "for a period of three (3) years".
 - iii. Where a Regular Full-Time or Temporary Full-Time employee is successful on a temporary full-time posting outside of the bargaining unit, that position left by the Regular Full-Time or Temporary Full-Time employee will be posted on a temporary full-time basis; subsequent positions are not required to be posted. Where the City decides to fill such positions on an acting in a senior capacity basis, first consideration shall be given to Regular Full-Time employees.
- j) In the event of an employee being retired from the City from a position for which the Union had bargaining authority at the time of the retirement and included in this Union contract, then that employee loses all bargaining unit rights including seniority and would be considered an external candidate for future opportunities in the bargaining unit.

These appointments shall be subject to the successful passing of the skill test(s) applicable to the classification, that they are not currently subject to a performance management plan, and have no discipline or recorded safety infractions in the previous eighteen (18) months.

If the employee has not had the opportunity to work during the ten (10) days referred to above, the employee shall be paid for those days for which work was not made available.
- i) Other than as might be provided for pursuant to the terms of paragraph g) herein, no Auxiliary Employee shall have the right to bump another employee after having been laid off.
- j) An Auxiliary Employee having class seniority, and having been laid off, must, if the employee wishes to be considered for future Auxiliary employment, elect to register with the City for future Auxiliary employment in which case the employee will be given preference in hiring for future vacancies within various classes on the basis of the employee's class seniority.
- k) Registration for future Auxiliary employment will be made upon a standard form which will be signed and dated by the applicant and which will state the classes within which the applicant would be willing to accept a position. The completed form will be signed and dated by an authorized representative of the City and both the applicant and the Union will be provided with a copy by way of receipt.
- l) When an Auxiliary Employee who has attained class seniority, has been laid off and who has registered for future Auxiliary employment, also registers a desire to be taken into consideration for Auxiliary work in a class for which the employee does not possess class seniority, such employee shall be taken into consideration for appointment to a position within such new class on the basis of the employee's skills, knowledge and ability, and in any case where there is no registered applicant possessing seniority in the new class in question, and where the employee's skills, knowledge and ability are sufficient so as to render the employee qualified, then
 - i. if the Auxiliary Employee is the only registered and qualified applicant, the employee shall be appointed to the said position.
 - ii. if the Auxiliary Employee is one of several registered and qualified applicants, the appointment to the said position shall be based on their relative skills, knowledge and ability, and if their skills, knowledge and ability are considered to be equal, then the registered and qualified applicant possessing the greatest total Auxiliary seniority with the City shall be appointed.

In 2025 the employee will be credited with a further 5 supplementary working days, etc.

SCHEDULE "F" – TECHNOLOGICAL CHANGE

TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the City introduces, or intends to introduce, a technological change that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party hereto may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board, constituted under Clause 16.2, step 5, of this Agreement, bypassing all other steps in the Grievance Procedure.

The Arbitration Board shall decide whether or not the City has introduced, or intends to introduce a technological change, and upon deciding that the City has or intends to introduce a technological change the Arbitration Board:

- (a) shall inform the Minister of Labour of its findings; and
- (b) may then or later make any one or more of the following orders:
 - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (2) that the City will not proceed with the technological change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - (3) that the City reinstate any employee displaced by reason of the technological change;
 - (4) that the City pay to that employee such compensation in respect of the displacement as the Arbitration Board considers reasonable.

The City will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated

SCHEDULE "G" – CONVERSION OF EMPLOYEE BENEFITS RE: COMPRESSED WORK WEEK

PRINCIPLES GOVERNING THE CONVERSION OF EMPLOYEE BENEFITS IN CASES OF INTRODUCTION OR RENEWAL OF COMPRESSED WORK WEEKS

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' benefits shall be converted as follows:

- (a) Basic annual working hours shall be calculated as $260.89 \times \text{daily working hours as per the 5-day week}$, e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
- (b) Basic annual public holiday hours shall be calculated as $12 \times \text{daily hours as per the 5-day week}$, e.g. $12 \times 7 = 84$, or $12 \times 7.5 = 90$.
- (c) Account shall be taken of the difference in basic annual rest period allowances, e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
- (d) Employees shall have at least two (2) of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
- (e) For purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph (h) herein.
- (f) Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph (h) herein.
- (g) Notwithstanding any clause in a collective agreement to the contrary, an employee shall not receive pay for acting in a senior capacity where the employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
- (h) In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (1) Revert to a standard 5-day week in any week when a public holiday occurs.

- (2) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five (5) days in the immediately preceding week.
- (3) Have a compressed work day off with pay for each public holiday and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
- (i) Whenever any doubt arises as to how the employee benefit conversion should be made with respect to any item (whether or not covered by this Schedule "G"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e. there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
- (j) In the event the Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee benefits.

SCHEDULE "H" – EMPLOYMENT STANDARDS ACT PRINCIPLES

EMPLOYMENT STANDARDS ACT PRINCIPLES

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (b) That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.

LETTER OF UNDERSTANDING – JOB SHARING

between

THE CITY OF BURNABY

(hereinafter called “the Employer”)

and

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 23

(hereinafter called “the Union”)

Effective: March 1, 2023

The Union and the Employer agree that where a Regular Full-Time Employee wishes to share their full-time position, that such Job Sharing agreements may be mutually agreed upon using the following principles.

General

We agree with the principle of sustaining the Regular Full-Time positions for employees participating in a Job Share. Job Sharing will also be based on the principle of no gain, loss, i.e., that there will be no expenses incurred or any losses.

Any vacancy arising from a Job Share arrangement will be posted on a temporary full-time basis within ten (10) working days of the signing of the letter of confirmation for the individual Job Share arrangement. Participating members are not entitled to jointly apply for promotions or transfers. A regular part-time vacancy arising from a job share will be filled as auxiliary.

Application for Participation in a Job Share

An employee wishing to participate in a Job Share shall apply in writing to the Department Head and shall include in their application the following information:

- the reason(s) for the request;
- the manner in which they propose that the workload be shared; and
- the manner in which they propose that the scheduling of shifts and statutory holiday coverage be shared.

An employee wishing to Job Share shall forward a copy of their request to both the recruitment division of People and Culture Department and the Union.

Upon receipt of each application the Department Head will consult with the recruitment division of People and Culture Department, and the Union and will make a determination to whether the Job Share request will be approved and advise the employee accordingly.

The vacant portion of the proposed Job Share will be posted and filled if there is an acceptable City employee. If there is no acceptable City employee, the Job Share will not proceed.

Job Share arrangements will not be initiated by the Employer.

When a Job Sharing arrangement is approved, the Employer will prepare a letter covering the terms and conditions of the Job Sharing arrangement to be signed by the Union and the Employer.

Hours of Work

The hours of work for the Job Share positions shall be as stated in the Collective Agreement.

The Job Sharing of a position will be on the basis of a sixty/forty (60/40), fifty/fifty 50/50 or a forty/sixty (40/60) share. The work schedule for the position will remain as if the position were not shared. For the purposes of applying overtime and shift differential, the Job Share will be treated as if it was a Regular Full-Time position. The incumbents will mutually agree on how overtime and shift differential is shared between the Job Share participants.

Any work performed through the combined efforts of the two Job Share incumbents which exceeds or falls outside of the normal full-time daily or weekly hours of work for the position, shall be paid the overtime rates applicable as per the Collective Agreement.

Where one employee is absent on leave such as vacation or sick leave the other job sharer will be given the opportunity to work those hours.

Shift differential will be paid in accordance with the normal shift for the full-time position.

Salaries and Benefits

For the purpose of earning, crediting, debiting and participating in all vacation, benefits, and seniority pursuant to the Collective Agreement (including but not limited to annual vacations, public holidays, sick leave and disability, all paid leave provisions, increment placement, seniority), participants in Job Share arrangements shall have their entitlements and eligibilities calculated as if they were Regular Part-Time Employees.

Medical Services Plan, Extended Health, Dental and Group Life Insurance

Participants in a Job Share shall be eligible for coverage under Extended Health, Dental, and Group Life Insurance on the same cost sharing arrangement as is applicable to Regular Part-Time Employees.

The City will pay one hundred percent (100%) of the premium costs of the Dental Plan, Extended Health Plan, and Group Life Insurance.

Municipal Pension Plan

If applicable, participants in a Job Share arrangement will continue their contributions to the Municipal Pension Plan on the basis of hours worked.

Short, Medium and Long Term Disability

Short, Medium and Long Term Disability benefits will be in accordance with the ratio that each participant's weekly hours bears to the full-time hours (i.e., 50/50 share). The penalty system for Short Term Sick Leave will apply on the same basis as Regular Full-Time.

Public Holidays and Vacation Entitlement

While vacation is earned on a proportionate basis to full-time hours worked, employees shall be entitled to a percentage in lieu of vacation and public holidays as follows:

- Where the employee is eligible for three (3) weeks' vacation, the employee will receive ten percent (10%) in lieu of public holidays and vacation;
- Where the employee is eligible for four (4) weeks' vacation or more, the employee will receive twelve percent (12%) in lieu of public holidays and vacation and so on.

Termination of a Job Share

There will be a formal review by the Union and Management of each Job Share when it has been in place for one year. For the initial 12 month trial period of the job share, the Union or Management may serve 3 months' written notice that the Job Share is to end. Either incumbent can terminate the Job Share at any time with 3 months' written notice. In the event that this occurs, the position will revert to full-time status, with its original incumbent, and the other incumbent will revert to their former position.

The maximum duration of a Job Share will be five (5) years.

The Job share will end should one of the incumbents leave their position (resignation, promotion, employee initiated transfer...). When this occurs, the position will be filled as follows:

If the remaining Job Share incumbent is the employee who originally held the full-time position, they may choose to resume working full-time or request that the balance of the Job Share be posted with the understanding that the combined total duration of the Job Share is not to exceed five (5) years. In the event that there is no suitable candidate for the balance of the Job Share, the incumbent will have to assume the full-time position.

If the remaining Job Share incumbent is the employee who did not originally hold the full-time position, the position will be posted as Regular Full-Time, and the remaining Job Share incumbent may apply for the position. If they choose not to apply, or are unsuccessful in the competition, the incumbent will revert to their former position.

A Regular Full-Time or Regular Part-Time position held by an employee who successfully applies for a posted Job Share will be filled on a temporary full-time (for RFT) and auxiliary (for RPT) basis with the understanding that should the incumbent not revert at the end of the Job Share, the position will be posted as Regular Full-Time or Regular Part-Time.
